RE: **ADDENDUM TO SUPPLEMENTAL STAFF REPORT FOR NAVAJO WATER COMPANY, INC'S. APPLICATION FOR A RATE INCREASE (DOCKET NO. W-03511A-14-0304)**

On August 15, 2014, Navajo Water Company, Inc. ("Navajo" or "Company") filed an application for a permanent rate increase with the Arizona Corporation Commission ("Commission"). On February 27, 2015, Commission Utilities Division Staff ("Staff") filed a Supplemental Staff Report in response to Navajo's comments to the original Staff Report filed December 24, 2014. Staff recommended approval of the rate increase application using Staff's recommended Supplemental rates and charges. Staff further recommended the new rates approved in this case not be effective until the first day of the month after the Company files with Docket Control, as a compliance item in this docket, documentation from Arizona Department of Water Resources ("ADWR") indicating that Navajo's three water systems are compliant with ADWR requirements governing water providers and/or community water systems.

Subsequent to Staff filing its Supplemental Staff Report, Staff received updated Water Provider Compliance Reports from ADWR indicating that Navajo's three water systems are now compliant with ADWR requirements governing water providers and/or community water systems.
